Amazon com Alphaville English Subtitled Eddie

This1965 Jean-Luc Godard film is a weirdly delightful science fiction story from one of France's most overtly political filmmakers. In a future world that would have been foreboding then (but is now a paradigm of the past world of main frame dominance of computing) the story is actually rather funny now.

Welcome to Alphaville Moonbase

We were so proud of it we presented it at the very next concert, probably that same month, a bit premature in a way. But we felt so exhilarated by it that we would have even played it in the middle of summer.
