Circle of Influence Implementing Shared Decision Making
Meaningful involvement in decision making is one way that trust and commitment to organizational goals can be achieved. This session presents a framework for analyzing different types of decisions in program management and how directors can move to a more participatory process in achieving organizational goals.

ERIC Circle of Influence Implementing Shared Decision

Based on the view that participative management is essential for high-quality child care program functioning, this book for child care administrators presents participative management as a philosophy and as a set of behaviors defining interactions with people. The book provides opportunities to explore management techniques involving others in critical decisions affecting their job satisfaction and professional fulfillment. The chapters are: (1)
