General Economic Development Strategies mildredwarner org

Use of business incentives is one of the most common local economic development strategies. The authors analyze national surveys of 700 to 1,000 local governments from 1994, 1999, and 2004 to track use of business incentives over time. They find a shift from primary reliance on business incentives to use of a broader set of strategies that includes business retention and small business support
