Red s Eats 850 Photos 821 Reviews American

We drove by Red's Eats around lunch time and there must have been 50 people standing in line. So we went shopping and came back around 4:00 pm. Still a line, but much shorter. Red's gives a lot of good food for a decent price. The lobster roll was loaded with large chunks of lobster. Once you have any food from here, it will become the gold standard that you compare other places against.
