Repairing Intimacy eBook by Judith Siegel Ph D

In Repairing Intimacy the theories of the American object relations theorists are applied to couple dynamics. The representational world is used to explain how primitive defense mechanisms and other intrapsychic phenomena contribute to marital conflict. The structure, function, and content of the representational world all contribute to spousal expectations and the couple's capacity for

Repairing intimacy an object relations approach to

Repairing Intimacy is an exciting addition to any couples therapist's library. It has already influenced my own couples work. Siegel's description of work with borderline and narcissistic patients makes clear why short-term treatments do not work and why so many couples become treatment failures because therapists cannot handle their own countertransference reactions to the couples
