A rough familiarity with the biblical stories is necessary, though he typically provides his own translation of those sections that he will look at in detail. A basic familiarity with the various approaches in biblical criticism would be extremely helpful for better understanding his goal in writing. A knowledge of Hebrew is not necessary as he always explains significant nuances of the language either in his translations or commentary (though it would, of course, be immensely helpful!).

Alter also discusses the use of dialogue as a narrative technique and the way the biblical authors brilliantly deploy dialogue again to illustrate character. He discusses the "laconic" style of the Bible in which words are not wasted and action or description that is deemed unnecessary to telling the story are left out. That means that every word that is included is there for a reason.
