What Your Body Knows About God The Gospel Coalition

What Your Body Knows About God is an easy and encouraging read, yet I hoped for even more detailed and documented research to support the book's overall thesis. I don't think anyone would argue with Moll's findings based on the feelings we often have when we pray, worship, and serve others. But the most fascinating aspect of the research in this area is the traceable, evidenced-based proofs for why we feel what we feel when we align ourselves with our Creator.
